

8th International Workshop on SE @ NSF

12th – 16th October 2014

Sample environment support is a vital element in the success of neutron scattering experiments. The 8th International Workshop on Sample Environment at Neutron Scattering Facilities will bring together scientists, engineers and technicians, as well as leading suppliers, to exchange experience, form collaborations and discuss new ideas.

Venue & accommodation

The Workshop will be held at Eynsham Hall, Oxfordshire (www.eynshamhall.com) and ISIS. Full accommodation, meals and the workshop banquet are included in the registration fee of £700 ('Early Bird' price).

Registration & enquiries

Registration details can be found online at: <https://eventbooking.stfc.ac.uk/news-events/se-at-nsf-2104>. Early registration is strongly advised as accommodation at Eynsham Hall is limited.
