

Milton Hill, Abingdon, UK

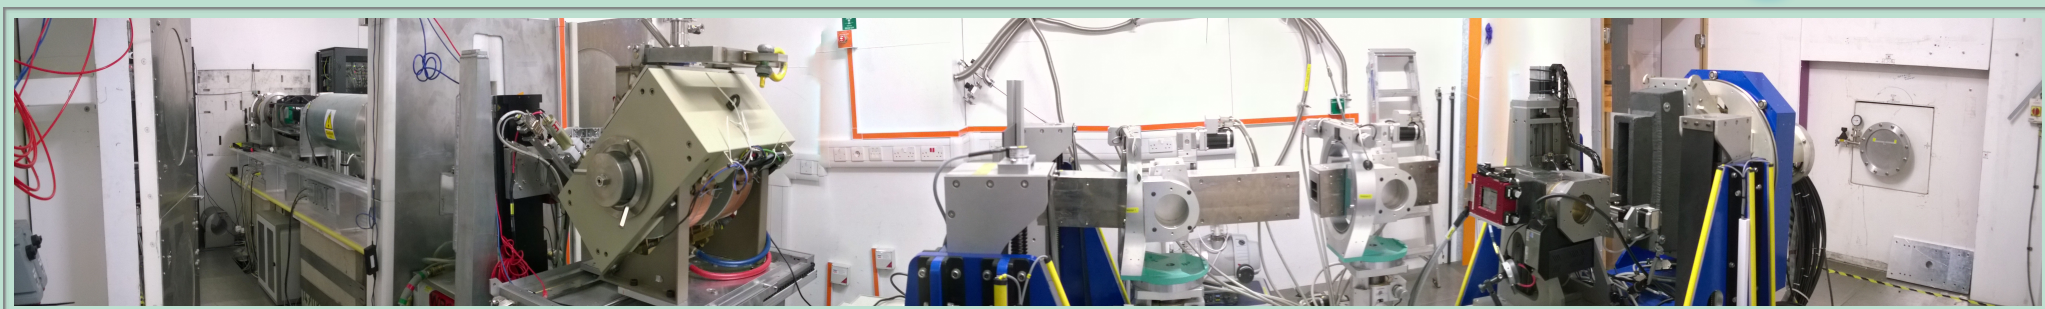

pncmi
3rd - 6th July 2018

Science & Technology Facilities Council

ISIS Neutron and Muon Source

12th International Conference on Polarized Neutrons for Condensed Matter Investigations

Topics

Magnetic structures
Nano-structures and thin-films
Quantum and frustrated magnetism
Strongly correlated electron materials
Soft matter and biology
Polarized neutron instrumentation
Functional materials science
Fundamental physics
Data analysis
Methods and devices

Invited Speakers:

Lars Bannenberg (TU Delft)
Nikolaos Biniskos (JCNS, CEA)
Philippe Bourges (LLB, CEA-Saclay)
Christian Franz (TUM, MLZ)
Alexander Grutter (NIST)
Stephen Hayden (University of Bristol)
Masahiro Hino (University of Kyoto)
Olaf Holderer (JCNS, MLZ)
Dirk Honecker (ILL)
Kazu Kakurai (Cross-Tokai)
Jeremy Lakey (University of Newcastle)
Sean Langridge (ISIS)
Lucile Mangin Thro (ILL)
Navid Qureshi (ILL)
Zahir Salhi (JCNS, MLZ)
Kenishiro Tateishi (RIKEN)

Deadlines:

Submission of abstracts: 1st May 2018
Registration: 8th June 2018
Payment: 22nd June 2018
Proceedings: 19th October 2018

Standard Registration: with accommodation* - 710 GBP
non-residential - 370 GBP
Student Registration: with accommodation* - 460 GBP
non-residential - 250 GBP

All registration fees include lunch and dinner, including conference banquet.

* Includes full board and lodging at Milton Hill, Abingdon (www.miltonoxfordshire.co.uk)
